Lady and Gentlemen:

Have you all lost your only minds, or what?

You're holding a fundraiser for Rosalind Kurita? Why would you possibly help Rosalind Kurita? Because her ultimate goal is to defect to the Republican Party? Do we really WANT her? Has she somehow sold you a bill of goods as to her intentions upon re-election? What could she *possibly* offer you that you would support this endeavor? Her vote for partial birth abortions, maybe?

That woman has lied, cheated, threatened, manipulated and forced her way through her political career with unbelievable gall and arrogance—she has no known morals or ethical boundaries regarding her treatment of people—and she has, seemingly, gone out of her way to slander and degrade the good name of her opponent when she didn't accomplish her goal of winning by whatever means necessary, however illegal.

So, in America we don't steal an election, huh? Well Rosalind Kurita should know—she certainly tried to do it herself and because of her illegal actions was unsuccessful.

I am Elisabeth D. Klein. I have been legal assistant to Tim Barnes for the past seven years. I am also his political treasurer. And I am a Republican.

I am also deeply ashamed of each and every one you for putting whatever inconceivable agenda you have ahead of the best interests of this state. If you would like to discuss this matter in more detail, I would be *all too happy* to do so—you may reach me at 931-***-**** between the hours of 8:00 am and 5:00 pm.
